All overseas students (regardless of age) must live with a parent or have a Melbourne-based Guardian approved by the De

the age of 18. The parent or person who has custody of the overseas student is at all times legally responsible for the student.

- The School will advise students who are issued with a CAAW (Confirmation of Appropriate Accommodation/Welfare Arrangements) that they may not travel to Australia before the nominated Welfare Start Date.
- The School will maintain approval of accommodation and care arrangements until:
 - The student completes the course and departs Australia
 - the student turns 18 years
 - any appeals processes in relation to Yarra Valley Grammar's intentions to cancel the student's enrolment has been finalised (including suspensions, cancellations, course progress and attendance)
 - the student has alternative welfare arrangements approved by another registered provider
 - a parent or a parent nominated Guardian approved by the Department of Home Affairs assumes care of the student
 - Yarra Valley Grammar has notified the Department of Home Affairs that it is no longer able to approve the student's welfare arrangements and has taken the required action after not being able to contact the student.

In circumstances where Yarra Valley Grammar can no longer be able to approve or continue to take responsibility for the overseas student's welfare arrangements, the School will immediately report through Provider Registration and International Student Management System (PRISMS) and make all efforts to contact student's parent or legal guardian immediately that the School can no longer approve the overseas student's welfare.

If the overseas student does not have a DOHA approved guardian, parents must choose option C for the School to arrange appropriate accommodation and welfare
